

# STUDENT LICENSES

## FOR ENVI AND IDL

**AFFORDABLE STUDENT LICENSES TO PUT YOU AHEAD OF THE CURVE.**

You need affordable software that supports your academic career today and makes you marketable for the workforce in the future. Harris Geospatial offers student pricing on ENVI and IDL to put you ahead of the curve, in the classroom and after graduation.

Description	Platform	Price
ENVI + IDL	Mac OS/Linux/Windows	\$195 (12 month term)
ENVI Atmospheric Correction Module	Linux/Windows	\$50 (student license add-on)
Feature Extraction Module	Mac OS/Linux/Windows	\$50 (student license add-on)
IDL	Mac OS/Linux/Windows	\$89 (12 month term)
IDL Advanced Math and Stats	Linux/Windows	\$50 (student license add-on)

## BENEFITS

Get trained on the software employers use

Leverage our extensive interactive user community

Integrated with ArcGIS® from Esri

## STUDENT LICENSE REQUIREMENTS

- Currently enrolled in an academic institution in the United States or Canada. Verified exelisvis.com user account
- Active academic institution email address
- Purchase using personal credit card
- Installation on privately owned computer

For your order to be processed, you must be able to provide verification of student eligibility which requires that your request for a license comes from a .EDU e-mail account and that you provide by email or fax, a copy of your official class schedule for the current or upcoming semester verifying that you are a full time student and/or a student in good standing.

## STUDENT EDITION LIMITATIONS

- Student licenses are valid for one year
- Student Licenses are not eligible for renewal. For continued use after expiration, a new license must be purchased.
- Network licenses are not available. For Network licenses or classroom use of ENVI or IDL please email us with your specific needs at academicinfo@exelisvis.com.
