IDL Analyst	IDL + Advanced Math and Stats	Linux/Windows	\$149 (12 month term)

STUDENT EDITION LIMITATIONS

- Student licenses are valid for one year
- Student licenses are not eligible for renewal. For continued use after expiration, a new license must be purchased
- Network licenses are not available. For network licenses or classroom use of ENVI or IDL please email us with your specific needs at GeospatialInfo@L3Harris.com

STUDENT LICENSE REQUIREMENTS

- Currently enrolled in an academic institution in the U.S or Canada. Verified www.L3HarrisGeospatial.com user account
- Active academic institution email address
- Purchase using personal credit or debit card
- Installation on privately owned computer

BENEFITS:

- > Get trained on the software employers use
- > Leverage our extensive interactive user community
- > Integrated with ArcGIS® from Esri

For your order to be processed, you must be able to provide verification of student eligibility which requires that your request for a license comes from a .EDU e-mail account and that you provide by email or fax, a copy of your official class schedule for the current or upcoming semester verifying that you are a full time student and/or a student in good standing.
